

**Pierce Park Neighborhood Association
Board Meeting, May 8 2021, 10AM, via Google Meet**

Board Present:

- Crissy Kojima (president)
- Anthony Sanchez
- David Meyer
- Wade Dorrell (secretary)

Board Absent:

- Adam Warr (VP)

Members/guests:

- Susie Herndon
- Matt Edmonds, CCDC was scheduled to attend but did not join the call

Minutes:

- Started at 10:01 AM
- Checking account was closed due to inactivity, funds transferred to savings. Chrissy is working to establish new account
- Chrissy did email about Pierce Park Ln crosswalk study but hasn't heard back from ACHD yet.
- Wade has not heard anything new from Collister NA regarding Pierce Park Ln sidewalk improvements, but did not pursue last month.
- Chrissy asked Anthony to contact ACHD re Pierce Park Ln speed study
- Update from David re: River Club: the only thing they've been working on lately is the island, rather than the ACHD/State St. interface, since ACHD's backed off on the intersection work. David asked re: walking infrastructure but said they do not have that worked into the plan yet. Since it sounds like ACHD projects & Jacksons' negotiation drives what happens next, next Dave will talk with ACHD project manager.
- Chrissy applied for 2 grants:
 - implementation (weed control supplies - \$100)
 - admin/support (back cost of website and \$50 extra - \$400)
 - These funds would need to be used by September. If we need more for next year, we'd apply for that in September.
- Transitions:
 - Chrissy wanted to talk to NWNA president about upcoming developments and boundary changes if PPNA ended up not continuing
- State St. urban renewal
 - Since Matt from CCDC hadn't joined yet, briefly discussed TOD
 - Older article re:
<https://boisedev.com/2019/08/28/the-future-state-of-state-st-plan-would-remake-key-boise-route-in-decades-to-come/>

- Brief discussion of Ada Co / Expo Idaho plans. To understand what they're discussing, give feedback, this is a good article:
<https://boisedev.com/news/2020/12/03/expo-idaho-future-concepts/>

Next meeting:

- June 12 10AM. Possibly we can re-book Matt, may have more from Nwana?
- Will likely not meet in July, will meet in August, annual meeting after that
